Registered Agent Acknowledgment

Besides not worrying about missing important documents, having NLF as your registered agent also means that you will not have to accept potentially embarrassing legal and tax documents in front of clients, employees, etc. Another advantage is that, as your registered agent's address will remain the same, you can easily change your business location without necessarily having to file more paperwork to change your address with the state for each and every move.

In addition to the benefits listed above, we notify you and process your annual renewal will with the Secretary of State each year. NLF's nominal annual Registered Agent fee (\$115.00) will be due at the same time as your annual filing with the state.

If, at any time, NLF does not receive payment for being your entities Registered Agent, we unfortunately will be forced to resign as your Registered Agent with the Secretary of State of Nevada.

A business that does have a Registered Agent on file with the Secretary of State of Nevada may risk falling out of "good standing" with the state in which it is registered. Penalties can include license revocation, fines, and the inability to enter into legal contracts and/or gain access to the state court system. Moreover, reinstatement proceedings could include further monetary, civil, and possibly criminal sanctions as well.
